

## Spay/Neuter Clinic List

Updated May 25<sup>th</sup>, 2021

Below is a list of spay/neuter clinics in Illinois, Southern Wisconsin and Northwest Indiana. Please understand that we update this list as often as we can. If you have any additions or changes, we appreciate your feedback at [info@catsinaction.org](mailto:info@catsinaction.org). Please reach out to clinics directly for pricing and services. Most clinics require feral cats to be in humane traps, for the safety of clinic staff.
